DIGITAL ART

Mrs. Ellington • Room #A05 • ellingh@gcsnc.com

Art education is for all students. It provides learning opportunities for the artistically talented as well as for students who may never produce art outside the classroom. In whichever category your child may be in, Art class will be a learning, encouraging, and enriching part of your child's day.

In this class you will...

- Practice problem solving and critical thinking.
- Learn about history and culture through Art.
- Learn to more effectively use their senses to explore the world.
- Use both verbal and nonverbal methods to express abstract ideas and emotions.
- Learn to trust their creative intelligence.
- Learn concepts and techniques that will give them control of the visual images they produce.
- Learn to identify aesthetic qualities in a variety of artwork and in the environment.
- Learn the language of visual art so they can have a precise vocabulary in which to express their ideas.

Be Sure Continue Page 2!
