# Wednesday, March 18<sup>th</sup>: Elements of Art

You will use your cellphone to take your photographs for each of the project over the course of the next 3 weeks. If you have a professional DSLR Camera you are more than welcome to use that!

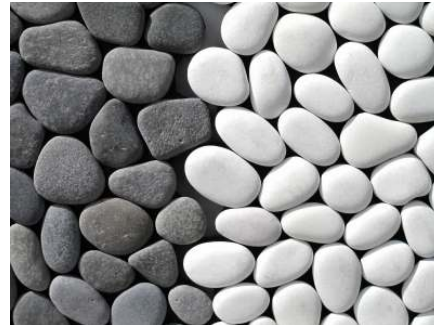

**You will submit to me on Google Classroom under the specified assignment OR you may email me the assignment as well. Please be sure to use the Date and Name of the assignment!**

## **Line:**

**A continuous point on a surface.  
Can be straight, squiggly, wavy,  
zig-zaggy...**

**The possibilities of line are endless!!**

## **Shape:**

**A 2-dimensional shape or object.  
For example, a circle, square,  
triangle. Key is it FLAT!**

## **Form:**

**A 3-dimensional FORM  
or object. You can see  
multiple angles and  
sides of the object.**

**\*\*Assignment\*\*:** by using your cellphone or camera at home read the following elements of art above. You can arrange your photographs, meaning you can lay objects together to make them or GO OUTSIDE or around your house and photograph **EXAMPLES of line, shape, and form. Submit your work to google classroom or email to me at [hellington@piedmontclassical.com](mailto:hellington@piedmontclassical.com)**

# Thursday, March 19<sup>th</sup>: Elements of Art

You will use your cellphone to take your photographs for each of the project over the course of the next 3 weeks. If you have a professional DSLR Camera you are more than welcome to use that!

**You will submit to me on Google Classroom under the specified assignment OR you may email me the assignment as well. Please be sure to use the Date and Name of the assignment!**

## **Value:**

**A gradual change from light to dark. Value is not only in COLOR but black and white too!**

## **Texture:**

**The tactile feeling of an object. For example, rough, smooth, bumpy, shiny...**

## **Space:**

**Areas around or between objects. Also known as positive and negative space.**

**\*\*Assignment\*\***: by using your cellphone or camera at home read the following elements of art above. You can arrange your photographs, meaning you can lay objects together to make them or GO OUTSIDE or around your house and photograph EXAMPLES of **Value, Texture, and Space**. **Submit your work to google classroom or email to me at [hellington@piedmontclassical.com](mailto:hellington@piedmontclassical.com)**
